## FOR PARTICIPATION IN THE CONFERENCE

It is necessary to send to the address of the organizing committee an application for participation in the conference (the form is attached), an electronic version of abstracts of reports to e-mail: confexpertpuet@ukr.net - no later than March 20, 2023. Confirmation of receipt of materials will be sent to the authors within two working days. If you do not receive the message, please resend the message.

**Participation in the conference is free**, the collection in .pdf format will be sent to the authors by e-mail.

## REQUIREMENTS FOR PREPARATION OF ABSTRACTS

Only scientific abstracts related to the conference topic will be accepted for publication. The volume of abstracts should be 2-4 full pages of A4 format, made in the Microsoft Word editor, font – Times New Roman, size – 14 pt, without text compression and word transposition, line spacing – single, width alignment, indent - 1.25 cm, margins on all sides – 2.0 cm. All schemes, figures and tables must have a title and numbering. The name of theses is typed in capital letters, in bold, in the center. Below on the right, one space apart, are the authors' initials and surnames in bold; below them – position, scientific degree, academic title, name of the organization and city in normal font.

The list of used information sources is drawn up in accordance with DSTU 8302:2015 and submitted at the end of the manuscript. References in the text to the source are indicated by a serial number in square brackets. The electronic version of abstracts of reports should be named by the surname of the first author and the serial number of the thematic direction of the conference, for example Petrenko\_1.

The editorial board reserves the right to make corrections. The organizing committee reserves the right to reject material that does not correspond to the thematic directions of the conference and is designed in violation of the above requirements. Authors are responsible for copyright compliance.

A forum will be opened on March 24 to discuss problematic issues in specific thematic areas. The materials of the conference will be placed in the PUET repository.
